

Have you stopped
smoking?

Do you worry about
your lung health?

Volunteers required for research study at the Woolcock Institute of Medical Research

We are looking for people who

- are 35 to 60 years old
- stopped smoking over a year ago

to participate in a 6 months study to evaluate new
medical treatments for damage caused by smoking.

Participation in this study will not cost you anything.

You will be reimbursed for your travel expenses for study visits.

If you think you may be eligible and/or would
like further information, please **call**

1 800 828 717

Principal Investigator: Prof Guy Marks

Version 3.0, 9 July 2009

This trial has been approved by the Ethics Committee (RPAH Zone) of the Sydney South West Area Health Service.
